## Adine Goodloe Presides Over May Court

Eugene Field  
Society Honors  
Dr. Shankle  
"American Nicknames"  
Basis of Election

Last Wed. Dr. George Early Shankle, head of the English Department of Mary Washington College, received a most complementary invitation to become an honorary member of the Eugene Field Society from the headquarters of that Society which are located in the former home of Eugene Field at 2826 Spruce Street, St. Louis, Missouri.

This Society, which was organized to perpetuate the name of Eugene Field, is an association of the nation's outstanding authors and journalists. In order to maintain the high literary standard, the Board of Governors elects to honorary membership only those authors and journalists who have made a notable contribution to contemporary literature.

Among the honorary members are such outstanding national figures as Lowell Thomas, Nicholas Murray Butler, E. Phillips Oppenheim, Edgar Lee Masters, Mlle. Eve Curie, Robert Frost, and Walter De La Mare.

Dr. George Early Shankle

The President of the Society gave as the basis of Dr. Shankle's election to honorary membership the "literary skill and craftsmanship" of one of Dr. Shankle's books: AMERICAN NICKNAMES. Of course, Dr. Shankle has written other books on poetry, state names, seals, flowers, and flags; as well as publishing numerous articles in educational and other magazines.

Not only is the student body congratulating Dr. Shankle because of the great honor which has come to him but also the student body can congratulate itself, for an honor such as this is worth much to the college. To have men such as Dr. Shankle on the faculty of our college is one of the best ways in the world to gain for our school a reputation which is known the country over as the finest.

## The New Replaces The Old

YWCA Installation  
Services On Sunday

The Installation Service for the new Y. W. C. A. Cabinet will be held Sunday evening, May 7, at 6:45 in the auditorium. At this time the old cabinet will resign its duties to the new members. This early installation gives the 1939-1940 cabinet an opportunity to become acquainted with its work and program for next year.

The service on Sunday evening, by candlelight, will be the occasion for the old cabinet, who has worked together so efficiently and faithfully, to make its adieu and for the new cabinet, through the experiences of the former, to recreate a new year of active Christian work under the guidance of Mary Estes.

The entire student body of Mary Washington College is cordially invited to the auditorium to see the installation, the most beautiful Y. W. services of the year.

## Jollity

This week we are anticipating the ushering in of a significant event in our college year—a gay celebration of May Day. Our campus is so appropriately dressed in the freshness of Springtime that it adds an unequaled charm and meaning to such a festive occasion. Indeed, Comus in his woodland bower surveys not a more enchanting domain than we!

As we anticipate, so also must we appreciate all this festive beauty. Our actions are to show that we recognize and love what is ours, and that it be reflected to remain in our memory. Our hearts must be as fresh and gay as the newly designed leaves, and possess a singular loveliness. We ourselves must be in a mood that accentuates and enlivens this season.

"Haste three, Mymph, and bring with thee

Jest and youthful Jollity,

Quips, and cranks, and wanton wiles,

Nods and backs and wreathed smiles,

Such as hang on Hebe's cheek,

And love to live in dimple sleep,

Sport that wrinkled Care de-rides,

And Laughter holding both his sides.

Come, and trip it as 'You go,  
On the light fantastic toe—"

## Festivities Scheduled For Tomorrow Afternoon Commence At 4:30

Glimpses Into The  
Personalities Of Those  
In The May Court

"Pretty is as pretty does" well describes the Mary Washington May Queen of 1939. Adine Goodloe, admirable qualities of a typical loe lives in Dayton, Virginia, but at heart she is a true Mississippian with all of the lovable and southern girl. In less than nine month's time, she has stolen the hearts of Mary Washingtoners. Her friendly, gracious manner, her fascinating smile, her love for life, and her remarkable ability for rolling "r's" deem her worthy of reigning supreme as a queen of all that is good and beautiful in life.

Miriam Carpenter

Maid of Honor

For charm of manner and radiance of personality no one can excel our own Miriam Carpenter. We are grateful to Newport News for lending us one of its finest. Whether Miriam sticks to the teaching of physical education or decides to say "I do," we are confident that she will give of her best. A toast to one who is really a maid of honor.

Brightness of countenance, twinkling eyes, merry laughter, a girl who tickles piano keys like a breeze—that's Eloise Caverlee. She loves a good time and makes one wherever she goes.

Promptly at 4:30 two trumpets will be sounded, one at the top of the Hill, the other near the open air theatre.

The college orchestra will play the overture after which will follow the procession of the May Court and the Crowning of the Queen.

## Glimpses Into The Personal Lives Of Those Who Make Up Our May Court - -

(Continued from Page One)

When someone wrote "As Sweet As a Rose," he must have known Nita Lassetter. She comes to Mary Washington from Norfolk to major in Commerce. Nita walks like a queen, vibrates poise and happiness, and graces the dance floor or the typewriter with equal beauty.

Someday, perhaps, Rosella Tuck will run Loretta Young out of pictures. Rosella—tall, slender, lovely—comes from Richmond. She sings well, loves history, and has a time with typing.

Dot Vernon can't be beat. Blue eyes, blond hair, a smile for all stand her out among the finest and fairest. How Kentucky must miss her! How Virginia does love her!

Dark-haired and petite is Ann Hughes of Norfolk. She's a lover of flowers and nature.

Music and more music signify the arrival of Jane Hatcher. She loves anything and everything from jazz to symphonies. Jane's from Clifton Forge, Virginia.

**BEVERLY ROBERTS**, from White Hall (near Charlottesville), Virginia. A sophomore, Beverly is taking the commercial course. Her pet hobbies are horseback riding, or anything horsey (don't everybody apply) and dancing, but not jitter-bugging. ("That is a thing of the past!") A helpful roommate suggested, as one of Bev's hobbies, changing her mind. "But," says Miss Roberts, "that is not a hobby—that is a woman's privilege!" She likes sport and riding clothes, and according to the other roommate "swims like a rock"! This will be the second year Beverly has been in the May Court. She is a member of the German Club and of the Riding Club.

Edith Beamer is from Hillsville, Virginia. She is a Freshman and she, also, is taking a commercial course. Her hobbies are camping and dancing. "But camping is more fun than anything!" Edith is planning on going to a camp this summer to be a counselor. On the Hill, she is a member of the Commercial Club and the Y. W. Edith has no dislikes except to make errors in typing and then have to do it over that night. "But really, I do like everything," said Edith.

Dorothy Cobb comes from ye ole towne of Hopewell, Virginia. According to Dot, who is a sophomore, a major in History is "taking her". As a very different hobby Dot collects theater tickets! She has two pet aversions: one is oranges and the other is seeing a girl wear slacks. Dot should have a girl DRUMMED (her roommate 'er orchestra) that she should eat oranges. They give you Vitamin D—'er something!

Barbara Gaines comes all the way from Yaleville, Connecticut. She is a Junior and is majoring in "Parlez-vous francais?" She says that her favorite hobbies are music, and then dogs and cats. Her roommate suggests stumbling and sleeping as favorite hobbies but Barbara says that a member of the May Court "just CAN'T" have stumbling as a hobby! Happy landings, Barbara!

Frances (I haven't the remotest idea) Bolen of Front Royal, Virginia, gets the most pleasure out of unliking. Her mainstay in the food way of speaking is steak.

From Chatham comes pretty brown haired Annette Hodnett, who is a freshman on the hill. Miss Hodnett is a commercial major and belongs to the freshman chorus. Her pets are dogs and horses and her hobby is reading. Miss Hodnett plans to attend Mary Washington four years.

Sarah Glover comes to us from Lexington, Mississippi. She is a pretty little red-headed miss, and to know her would fill you with bliss. Miss Glover is a transfer from Mississippi State where she was a member of the Theater Guild and the Commercial Club. Believe it or not, she likes cows, and her hobby is collecting antiques. Her ambition is to go abroad.

Margaret Clarke, better known as "Grundy", has lovely blond hair and blue eyes. She has a smile that makes her friends everywhere. She is a member of the Dramatic Club, the A. A. A., and the German Club. Her hobby is collecting fraternity pins. Miss Clarke's ambition is to engage in matrimony.

From down in Savannah, Georgia comes attractive Helen Fulmer. She has a charming personality and a way with the Fredericksburg boys. She belongs to the German and the Y. W. C. A. Miss Fulmer likes dogs and turtles and her hobby is sleeping. Her ambition is to be a librarian.

Gretchen (I reckon) Bubenza of Bunkie, Louisiana enjoys most of all living, next to that comes dancing. She is a keen music enthusiast and is studying for her A. B.

Nancy (I swear) Moseley of Clifton Forge, Virginia, gives her vote to dancing as her favorite sport, and fried chicken as her dish. She is majoring in commerce.

Doris (You know it) O'Brien of Yonkers, New York, enjoys a nice jaunt on a horse. As far as food is concerned, just give it to her. This fits in with her major-dietetics.

**FRANCES BROOKS** is the Newport News flash that was the prexy of the German Club this year. This fair brunette is interested in V. P. I.

**EULALIA BOWLING** is a lovely brunette from Fredericksburg (of all places). She is the girl with so much style. She also likes horses.

**MARGARET MCCULLOCK** is a mountain girl from Buchanan, Virginia. She is a tall, striking looking brunette, whose favorite color seems to be BROWN.

**MAKIE EDGE** is that smooth looking girl who really gets around. Part of the time she lives in Virginia and part in Florida—just a cosmopolitan girl.

**PEGGY AUSTIN** is a Maryland girl. She is a brunette with a twinkle in her eye. There's a reason tho—love is the sweetest thing!!

**MARTHA LEE BENNETT** is that smooth looking blonde with such a good sun-tan. I've heard that she lives on peanut butter and pickles.

**EUGENIA CLARKE**, her friends call her "Ugly", is exactly the opposite. She likes swimming and ducks. She seems to favor Clemson—her favorite song and paper.

**VIRGINIA FISKE**, Cotillion Club President, is fond of bracelets. A small brunette, Ginny rated

two corsages last week.

**JO LEE FLEET**, What "Price" Glories! Jo Lee's sweet, charming and popular. That's all right Jo Lee. Its on the state!!

**JEANNE JOHNSON** loves movies and hiking. Her favorite past time is rushing. She dislikes the Lone Ranger.

**VIRGINIA HENDERSON**, Honey's as sweet as her nickname. She likes canaries, flowers, and typing.

**BETTY WHITACRE**, The Eat-able pie's beauty contest representative, is as demure and likeable as a lass as you could ask for. She likes oranges and she's fond of zoos.

**DOROTHY McNICHOLAS**, brunette and petite. Dorothy's favorite class is "folk dancing." She likes carrots and spinach, but just can't tolerate blind dates.

## INTERESTING PERSONALITIES

### RUTH ANDERSON

You all know those marvelous drawings down on the walls of the big gym and the mural in the little gym. Well—we owe it all to Ruth. Ruth helped paint the walls of the big gym and did all of the work in the little gym.

Ruth is 18 and comes from Norfolk. She was assistant art editor of the Battifield last year and is editor this year.

Her hobbies are art and music. At first, she didn't do so well in art. In fact, in school she made her lowest grades in art. She was determined to get a good mark in it, so she studied the funny papers and practiced copying the figures of Titile the Toller and Popeye. She says she had no training in art till she came up here, as they had no art department in High School. She has taken art for two years up here. Ruth is majoring in Mathematics.

Ruth also likes poetry and has written loads of poems. She likes sports, especially basketball and baseball.

Her ambition is to do something in art—designing clothes, or to do some sort of writing. She likes to write poetry, but all of her poems come back, she says, with "We regret that we cannot use your material."

Ruth pulled out her sketch book which was most interesting. It is mostly sketches done in the last three years at college, of typical college activities and poses by students. She likes to do figures better than anything else.

### S. S. Cotillion Has Smooth Sailing

The final Cotillion dance of the year was held in the gymnasium last Saturday night in honor of the Senior members.

The gymnasium was novelly decorated to resemble a ship, S. S. Cotillion. The entire theme was very realistically carried out by the nautical murals painted on the walls and the strategic placing of deck chairs on the balcony. Port-holes, anchors, wheels and a gang-plank further added to the picture.

Behind the wheel was Bob Riley and his orchestra, imported from Winchester, the noise-makers for the evening. Besides the ordinary pieces a few novelty numbers were played with the drummer-man giving his all.

To the strains of "Anchors Away", the figure, an anchor, was led by Miss Virginia Fiske and her escort, Frank Roberts. Those who also participated were the members of the club preceded by the officers and their escorts.

At twelve, everyone trooped over to Seacobeck where breakfast was served. The tables were covered with paper cloths decorated with ships. As a souvenir, match folders with the name Cotillion Club written on one side and on the reverse Mary Washington College, Fredericksburg, Virginia, were given out.

Judging from the gay chatter, this was one of the most successful dances on the hill. But alas, girls, remember what they say about shipboard romances—they never last!!

### ALUMNAE!

There's no doubt about it! Mary Washington College has grown considerably in the last few years. It is time M. W. C. had an active and co-operative Alumnae Association. Miss Clara Boyd Wheeler, President of the Association, has been very busy this past year trying to accomplish just this. She has done much, but a great deal of it is up to the individual Alumnae.

This year the Alumnae meeting and dance is to be held on the campus Friday, June the second. Do your part toward making the M. W. C. Alumnae Association a stronger, more effective organization by coming back to "The Hill" for Alumni Week-end. Greet old friends and Meet new ones.

If you are unable to come, join the Alumnae Association now. Write to Miss Wheeler in care of the college about it. It will be worth a great deal more than the small sum you pay to join.

P. O. Box 463, Newport News, Va., March 31, 1939.

Dear Clara,

I think the Alumni project is a very good one. My activities have not been so varied and interesting, but here goes—such as they are.

I taught in the elementary schools of Newport News from 1913 to 1927. At that time I became principal of Thomas Jefferson School of that city. I received my A. B. degree from William and Mary in 1936. During the various summers I have studied at the University of Virginia and Asheville, N. C. Summer School, in addition to William and Mary.

The summer of 1925, I spent abroad, visiting Scotland, England, Holland, Belgium, Switzerland, Italy and France. I attended the World Educational Convention which was held in Edinburgh, Scotland, that summer. The summer of 1938 was spent in attendance at the summer school of Berkeley, Cal.

With best wishes for the success of the "Life Issue", I am, Sincerely yours, Ethel L. Taylor.
